

PeopleSoft Training: PeopleSoft Technical Overview

Course (1 Day)

This one-day presentation provides an overview of your PeopleSoft system, from the sign-on page to the various development tools that are used to maintain, enhance, and customize your applications. It introduces topics and concepts that are covered in detail in the other technical training courses. The instructor will explain and demonstrate the following concepts and PeopleSoft tools:

- PeopleSoft Web Navigation: Folders, Sub-Folders, and Content References
- Portal Structure and Content
- Effective-Date Logic
- Development Tools
 - Application Designer
 - PeopleCode
 - Application Engine
 - Data Mover
- Reporting Tools
 - PeopleSoft Query
 - XML Publisher
 - Crystal Reports
 - SQR
- Process Scheduler and Process Monitor

Excerpts from Student Evaluations

The instructor was the best instructor I have ever had. Thank you for a great class!

The documentation is fantastic!

Excellent!! Loved those cheat sheets.

Excellent course. It was definitely more meaningful to work with our own system and data.

Excellent learning experience (the best among all PeopleTools classes that I have taken)!

The training material was extremely helpful. It was easy to follow and was a great tool in the learning process. I can see using it on a regular basis until I feel confident that I fully understand the process.

You have been doing a wonderful job with these courses. Thank you for your knowledge, patience & flexibility.

He is an excellent teacher, very knowledgeable about the course and material. He even keeps the class interested in the subject.

Very responsive to questions; good, relaxed teaching style.

The book is awesome – the class was very valuable! Thanks.

Very good class...materials are well prepared and class is very organized and planned out.

Very effective instructing style. Made class fun and interesting.

Great presentation style. Responsive to student questions. Thanks.

Good class. Very helpful and effective. This is one of the best instructors that I had.

Excellent teacher and well-organized class. I really enjoyed the class and look forward to the next class.

Course was great, reinforced things I kind of know but was not sure about. Speed of course was good.
