

PeopleSoft Data Management & Updates Release 8.5

Course (2 Days)

This course teaches the essential skills and techniques used in maintaining a PeopleSoft system. Participants will learn how to apply updates and fixes, bundles, and maintenance packs. They will learn the fundamental concepts of upgrading a PeopleSoft database. This includes the compare process and how to analyze compare reports, the copy process, and how to apply subsequent adjustments. In addition, they will also learn how to use the Change Assistant and Data Mover. The utilities that are used for the auditing and ongoing maintenance of a PeopleSoft database are also covered: DDDAUDIT, SYSAUDIT, Alter Audit.

Day 1

- Upgrade and Data Management Concepts
- Data Administration
- Compare Process and Analyzing Compare Reports
- Copy Process and Applying Subsequent Adjustments

Day 2

- Working with Projects
- Data Mover
- Applying Updates and Fixes Using Change Assistant
- On-Going Maintenance of Your PeopleSoft Database

Excerpts from Student Evaluations

The instructor was the best instructor I have ever had. Thank you for a great class!

The documentation is fantastic!

Excellent!! Loved those cheat sheets.

Excellent course. It was definitely more meaningful to work with our own system and data.

Excellent learning experience (the best among all PeopleTools classes that I have taken)!

The training material was extremely helpful. It was easy to follow and was a great tool in the learning process. I can see using it on a regular basis until I feel confident that I fully understand the process.

You have been doing a wonderful job with these courses. Thank you for your knowledge, patience & flexibility.

He is an excellent teacher, very knowledgeable about the course and material. He even keeps the class interested in the subject.

Very responsive to questions; good, relaxed teaching style.

The book is awesome – the class was very valuable! Thanks.

Very good class...materials are well prepared and class is very organized and planned out.

Very effective instructing style. Made class fun and interesting.

Great presentation style. Responsive to student questions. Thanks.

Good class. Very helpful and effective. This is one of the best instructors that I had.

Excellent teacher and well-organized class. I really enjoyed the class and look forward to the next class.

Course was great, reinforced things I kind of know but was not sure about. Speed of course was good.
