

## PeopleSoft Training: PeopleSoft Security Release 8.5

### Course (4 Days)

This course provides participants with essential knowledge of security within a PeopleSoft system. Participants will learn the different aspects of security as well as best practices for implementing and maintaining security in a PeopleSoft database. This course includes a thorough explanation of functional and technical topics including data permission security in HCM, Campus Solutions, and Financial databases.

#### Day 1

- Security and Its Relationship to the PeopleSoft Internet Architecture
- Permission Lists
- Roles
- User Profiles

#### Day 2

- Query Security
- Reporting Security
- Data Permission Security for HCM

#### Day 3

- Data Permission Security for Campus Solutions
- Data Permission Security for Financials
- Functional Security Administration
  - Cloning Security Definitions
  - Mass Creation of User ID's in HR
  - Dynamic Role Assignment Using Query
  - Password Maintenance
  - Distributed User Profiles
  - Deleting Permission Lists, Roles and User Profiles

#### Day 4

- Technical Security Administration
  - Developer and Administrator Access
  - Upgrading Security Definitions
- Folder and Content Reference Security
- Single Sign-On
- Password Controls and Sign-on PeopleCode

## Excerpts from Student Evaluations

The instructor was the best instructor I have ever had. Thank you for a great class!

The documentation is fantastic!

Excellent!! Loved those cheat sheets.

Excellent course. It was definitely more meaningful to work with our own system and data.

Excellent learning experience (the best among all PeopleTools classes that I have taken)!

The training material was extremely helpful. It was easy to follow and was a great tool in the learning process. I can see using it on a regular basis until I feel confident that I fully understand the process.

You have been doing a wonderful job with these courses. Thank you for your knowledge, patience & flexibility.

He is an excellent teacher, very knowledgeable about the course and material. He even keeps the class interested in the subject.

Very responsive to questions; good, relaxed teaching style.

The book is awesome – the class was very valuable! Thanks.

Very good class...materials are well prepared and class is very organized and planned out.

Very effective instructing style. Made class fun and interesting.

Great presentation style. Responsive to student questions. Thanks.

Good class. Very helpful and effective. This is one of the best instructors that I had.

Excellent teacher and well-organized class. I really enjoyed the class and look forward to the next class.

Course was great, reinforced things I kind of know but was not sure about. Speed of course was good.
