

PeopleSoft Training: PeopleTools Release 8.5 Delta

Course (2 Days)

This two-day workshop provides an overview of your enhanced PeopleSoft system, from the graphical interface (PIA) to the new features introduced to PeopleTools. Participants begin by building an application in Tools 8.5. They will modify the application using new features as they are being discussed in class. Through discussions and hands-on activities, the instructor will explain and demonstrate the following PeopleTools changes:

- User Interface Enhancements: Floating Drop-Down Navigation, Partial Page Refresh, Enhancements to “Favorites”, Typing Ahead, Modal Prompt Pages and Modal Alert Dialog Boxes, Enhanced Search Page, New Style Sheets, How to Get the 8.5 Look Using a Pre-9.1 Application Release, etc.
- New Page Features: Scrollable Grids, Rich Text in Long Edit Boxes, Popup Pages
- Query Enhancements: Drilling URLs and Connected Queries
- Changes to XML Publisher
- PeopleCode Enhancements: New Methods and Functions, the Enhanced PeopleCode Debugger, The Call Stack Pane, Change Variables and Object Properties in Real Time, Drill Down into Application Packages
- Feed Publishing Framework
- Reporting Console

Excerpts from Student Evaluations

The instructor was the best instructor I have ever had. Thank you for a great class!

The documentation is fantastic!

Excellent!! Loved those cheat sheets.

Excellent course. It was definitely more meaningful to work with our own system and data.

Excellent learning experience (the best among all PeopleTools classes that I have taken)!

The training material was extremely helpful. It was easy to follow and was a great tool in the learning process. I can see using it on a regular basis until I feel confident that I fully understand the process.

You have been doing a wonderful job with these courses. Thank you for your knowledge, patience & flexibility.

He is an excellent teacher, very knowledgeable about the course and material. He even keeps the class interested in the subject.

Very responsive to questions; good, relaxed teaching style.

The book is awesome – the class was very valuable! Thanks.

Very good class...materials are well prepared and class is very organized and planned out.

Very effective instructing style. Made class fun and interesting.

Great presentation style. Responsive to student questions. Thanks.

Good class. Very helpful and effective. This is one of the best instructors that I had.

Excellent teacher and well-organized class. I really enjoyed the class and look forward to the next class.

Course was great, reinforced things I kind of know but was not sure about. Speed of course was good.
