

PeopleSoft Training: PeopleTools Foundation Release 8.5

Course (5 Days)

PeopleTools 1 is the prerequisite for all other PeopleTools courses. In this course, participants work with Application Designer to construct web-based PeopleSoft applications, from the database tables to the graphical interface. By the end of this course, participants will be able to create a complete PeopleSoft application using fields, record definitions, tables, graphical pages, and components.

PeopleTools 2 takes your PeopleSoft development skills to the next level, covering advanced topics and techniques for more sophisticated applications and customizations. Participants will gain a deeper understanding of how PeopleSoft applications are constructed and customized for specific requirements. Hands-on activities allow the participants to practice and master what they learn.

Excerpts from Student Evaluations

The instructor was the best instructor I have ever had. Thank you for a great class!

The documentation is fantastic!

Excellent!! Loved those cheat sheets.

Excellent course. It was definitely more meaningful to work with our own system and data.

Excellent learning experience (the best among all PeopleTools classes that I have taken)!

The training material was extremely helpful. It was easy to follow and was a great tool in the learning process. I can see using it on a regular basis until I feel confident that I fully understand the process.

You have been doing a wonderful job with these courses. Thank you for your knowledge, patience & flexibility.

He is an excellent teacher, very knowledgeable about the course and material. He even keeps the class interested in the subject.

Very responsive to questions; good, relaxed teaching style.

The book is awesome – the class was very valuable! Thanks.

Very good class...materials are well prepared and class is very organized and planned out.

Very effective instructing style. Made class fun and interesting.

Great presentation style. Responsive to student questions. Thanks.

Good class. Very helpful and effective. This is one of the best instructors that I had.

Excellent teacher and well-organized class. I really enjoyed the class and look forward to the next class.

Course was great, reinforced things I kind of know but was not sure about. Speed of course was good.
